"Do What Has To Be Done."

Purpose

To provide an overview regarding USACIDC operations with the USAREUR AOR and statistical data regarding rape/ sexual assault investigations within the USAREUR AOR.

Agenda

- **Mission**
- **Organization**
- **Area of Operation**
- **Investigative Operations**
- **Conclusion**

Mission

Today, in an AOR extending from Greenland to the east coast of Russia and the southern tip of Africa, the 202nd Military Police Group (CID) supports commanders by conducting Army, Joint and Combined criminal investigations of serious, sensitive or special interest matters, and criminal intelligence, logistics security, counter-drug, antiterrorism, force protection and protective services operations in support of Army and Department of Defense interests in the EUCOM AOR in order to prevent crime and maintain the Soldiers, civilians, family members, units and materiel necessary to carry out the orders of the President in peacetime, combat and contingency operations. On order, the 202nd Military Police Group (CID) transitions to war IAW existing CONPLANS and continues with its assigned mission.
